Good morning Matt -

Thanks for getting back to us with the detailed official position on the HMIW facility. We look forward with assisting the facility in their permitting needs and look forward to cooperatively working through the review process with EPA as required. Thanks to everyone involved.

Hi Brad,

Thank you for your patience. The applicability determination was just signed and is attached. I will send the pdf to the Aemerge consultant shortly. Please let me know if you have any questions.
Thank you,
Matt
